

# Total Office Products Pty Ltd

## Paper Impact Statement

2021

**Total Office Products Pty Ltd's purchase of more than 348 tonnes of Australian made copy paper over 12 months, supports the following environmental, social and economic benefits:**

### **Environment**

136 tonnes of greenhouse gas emissions offset by using Climate Active certified carbon neutral paper

Up to 17 tonnes of local office waste paper was recycled, which would otherwise be diverted to local landfill or exported<sup>2</sup>

Equivalent to 23 tonnes of CO<sub>2</sub> landfill emissions saved.

Compliance with Sustainable Forestry Management certifications (PEFC<sup>TM</sup> or FSC<sup>®</sup>)<sup>3</sup>

Approximately 50% of energy used at the Mill of manufacture is generated from renewable sources

### **Community**

More than 5,780 full time equivalent Australian jobs<sup>1</sup>

More than 2,380 regional jobs<sup>1</sup>

### **Economics<sup>1</sup>**

\$527,960 direct contribution to Australia's economy (GDP)

\$261,370 contribution to regional economies (GDP)

\$261,950 contribution to the revenues of Governments in Australia

**Opal Australian Paper**
